Professional Summary

Telecommunication Engineer and AI-based antenna researcher transitioning into AI Engineering and MLOps. Experienced in machine learning, data analytics, and building end-to-end AI solutions from data processing to deployment. Skilled in Python, deep learning, computer vision, and cloud-ready model deployment.

Education

2026 Masters of Science in *Information and Technology* at UNITEN (Ongoing)

2019 Bachelor of Science (B.Sc.) in *Electronics and Telecommunication Engineering* (ETE) from Chittagong University of Engineering & Technology (CUET). GPA: 3.56 (out of 4.0).

2014 Higher Secondary School Certificate (H.S.C.) in *Science* from BCIC College, Dhaka. GPA: 5.0 (out of 5.0).

Experience

Junior Software Engineer- 02-05-2024 to 05-08-2025

Big Bang Computer's Ltd, Dhaka.

Maintenance of Hospital Management System, modify using HTML, CSS and PHP also checking the quality of data from database.

Senior Teacher- 02-06-2021 to 30-11-2023

Gateway International School, Dhaka.

Work as Computer Science and IT teacher.

Survey Design Programmer and Data Analyst- 09-08-2020 to 18-11-2020

Analyticsify, Dhaka.

Research Based Survey design using a platform Decipher, Analysis of data using Excel, SPSS and Python as programming language.

Research Experience

Deep Learning-Based Frequency and Pattern Reconfigurable Microstrip Antenna for Energy-Efficient 6G, IoT and Satellite Communication Systems.

Skills

- 🔧 Programming: Python, PHP, SQL, Bash
- 🔧 AI/ML: Machine Learning, Deep Learning, Computer Vision, NLP
- 🔧 Frameworks: TensorFlow, PyTorch, Scikit-learn, OpenCV, Pandas, NumPy
- 🔧 MLOps & Deployment: Docker, FastAPI, Git, CI/CD

Research Interests

- Artificial Intelligence.
- Machine Learning and Deep Learning.
- Computer Vision.
- Data Science and Big Data.

Relevant Courses

- Data Structure and Algorithms
- Neural and Fuzzy Systems in Communications
- Object Oriented Programming
- Computer communications and Networks
- Microprocessor and Microcontroller
- Internet Programming
- IoT and Industrial Automation

Certification

Deep Learning, MLOps (Coursera/Online)
